

This label guarantees its high quality,
unique freshness and origin:
NORWAY.

Lofoten

Barents Sea

1.000 km

Arctic Circle

Skrei.

Norwegian cod at its very best.

Only from January to April, Norwegian nature brings you the finest Skrei.
Every winter a miracle happens in the cold clear waters of Norway's far north.
The Skrei return from the Barents Sea to their spawning grounds. This long and epic journey
through tough waters yields amazingly succulent, flavoursome white flesh.
